

How to Download Free Microsoft Software for CPT Department Students

Recently Microsoft discontinued the **Microsoft Imagine** program and moved to **Azure for Education Dev Tools**. Follow these instructions to access the download links from Microsoft:

1. Using a **Microsoft browser** (Internet Explorer or Edge) go to the following link:
<https://azureforeducation.microsoft.com/devtools/>
2. Click on the blue **Sign In** button
3. Use your **my.gvltec.edu** GTC Gmail account to log in; select to continue to the **portal** if asked
4. Agree to the terms and conditions
5. You will be logged in to the **Education - Quick Start** screen

6. If necessary, type **Education** in the **Search Bar** on the top of the page to get to this page
7. To download the free software click on **Software** located under **Quick Start**

8. The **Microsoft Help Desk at 866-643-9421** is available if you have an issue
