Credit/Contact Hours:

3.0

Prerequisite:

CPT 230 and IST 226 and IST 272. Computer Technology students must obtain a minimum grade of "C" in all CPT and IST courses.

Co-requisite: None

Course Description:

This course is a study of Active Server Pages (ASP) programming to build, implement, and execute ASP scripts and examines topics related to the syntax of server-side ASP scripting as well as the use of ASP with databases.

Purpose of Course:

To teach the student different approaches for creating server-side scripts using Active Server Pages. The student will learn to successfully build, implement, and execute scripts to create fully-functional Web applications. In addition, the student will learn how to develop scripts and pages in real-world environments that take full advantage of the newest technology.

Required Text and Software:

1. [ASP.NET Programming with Visual C# and SQL Server](#) by Don Gosselin; Cengage Learning; ISBN: 978-1-4239-0324-6
2. Data Files which can be downloaded from the site <http://www.cengage.com/coursestechnology>. Type the text's ISBN number (without the dashes) in the search box, and when the text is found, click on "Students: Access Free Companion Content."

GREENVILLE TECHNICAL COLLEGE

3. Microsoft Visual Studio.NET 2017 Professional will be used for this course. It is mandatory that the student have access to Visual Studio.NET 2017 at home or by using the software available in the Student Lab in the Engineering Technology Building (#103), Room 113, on the Barton Campus.

Additional Materials:

A USB portable storage device such as a flash drive may be used for coursework storage.

Course Outcomes:

Students who successfully complete this course will have demonstrated the skills required to accomplish the following objectives with a minimum competence level of 70 percent.

1. Students will be able to demonstrate the ability to take initiative by completing a lab assignment with minimal supervision.
2. Students will be able to demonstrate the ability to work under pressure, and show responsibility by completing lab assignments.
3. Students will be able to demonstrate the ability to create a basic Web page using ASP.NET controls.
4. Students will be able to demonstrate the ability to create dynamic Web applications using both Standard and Server controls.
5. Students will be able to demonstrate the ability to debug ASP.NET project solutions by identifying and correcting syntax errors, run-time errors, and logic errors.
6. Students will be able to demonstrate the ability to create Web pages that manipulate Strings and String Expressions using C#.
7. Students will be able to demonstrate the ability to maintain state using cookies, hidden fields, and session variables to pass information.
8. Students will be able to demonstrate the ability to access, display, and update information stored in a database using ADO.NET components.

Revised January 9, 2019

Program Student Learning Outcomes:

Upon successful completion of the Computer Technology Degree students will be able to:

1. Install computer and network hardware.
2. Install computer operating systems and application software.
3. Design, create and test computer programming solutions.
4. Demonstrate the ability to take initiative, assume responsibility, and work under pressure with minimum supervision by successfully completing "hands-on" computer assignments.
5. Analyze, troubleshoot, and correct computer related technical problems.

Revised December 2017

GREENVILLE TECHNICAL COLLEGE

Greenville Technical College Core Competencies:

Communication Core Competency: Students will demonstrate effective written and oral communication skills to convey information, ideas, or opinions.

- Written Communication: Students will demonstrate effective written communication skills to convey information, ideas, or opinions.
- Oral Communication: Students will demonstrate effective oral communication skills to convey information, ideas, or opinions.

Critical Thinking Core Competency: Students will demonstrate effective reasoning, problem solving, or quantitative skills to develop an opinion or conclusion.

- Critical Reasoning: Students will employ inquiry, analysis, and synthesis of information to formulate and/or evaluate an opinion or conclusion.
- Problem Reasoning: Students will design and formulate a strategy to answer a question or achieve a desired goal.
- Quantitative Reasoning: Students will be able to analyze numerical information or observable facts resulting in informed conclusions.

Information Literacy Core Competency: Students will be able to locate, evaluate, and use information effectively from diverse sources.

Professionalism Core Competency: Students will demonstrate conduct and etiquette appropriate to the community and chosen career.

- Professionalism: Students will display professional conduct and work habits.
- Teamwork: Students will collaborate with others to accomplish a shared goal.

Instructional Agreement:

This syllabus is an agreement between the student and instructor concerning course objectives, course content, grading and other policies and procedures particular to the course as well as any posted program, departmental, and divisional policies. It is also the student's responsibility to become familiar with the Student Handbook/College Catalog found in the Student Resource area of Blackboard.

Grading Scale: Grades will be calculated as follows:

Exams represent 80 percent of the final grade: 55 percent tests and 25 percent final exam.

Lab/written assignments count 20 percent of the final grade.

1. Programming assignments will be assigned from selected chapters.
2. A one – two page paper on the adoption of ASP.NET 2008/2010/2012/2015 around the world is required. The paper will include information regarding the countries in which ASP.NET is available and the languages Microsoft has translated ASP.NET into. A rubric for assessment of the assignment will be provided.

GREENVILLE TECHNICAL COLLEGE

3. **The following factors will also be considered in grading programs:**
- The program must work correctly and produce the desired results.
 - The program must be written in the style described in the text or described in class.
 - Write with compactness in mind.
 - Documentation should be clear and meaningful.

All assignments (i.e., labs, projects, research papers, etc.) for this course must be completed and submitted to the instructor by the due date established in order to receive credit for the assignment.

NOTE: ALL TESTS AND EXAMS ARE RETAINED BY THE INSTRUCTOR.

Final letter grades will be issued as follows:	A =	90 - 100
	B =	80 - 89
	C =	70 - 79
	D =	60 - 69
	F =	0 - 59

Course Plan of Instruction:

CHAPTER	MAJOR TOPICS
Chapter 1 Chapter 1	Introduction to Web Development Assignment Due
Chapter 2 Chapter 2	Getting Started with ASP.NET and C# Assignment Due
Chapter 3 Chapter 3	Using Functions, Methods, and Control Structures Assignment Due
Test 1	Chapters 1, 2, & 3
Chapter 4 Chapter 4	Introduction to Web Forms and Controls Assignment Due
Chapter 5 Chapter 5	Manipulating Strings with C# Assignment Due
Test 2	Chapters 4 & 5
Chapter 6 Chapter 6	Debugging and Error Handling Assignment Due

GREENVILLE TECHNICAL COLLEGE

Chapter 7	Working with Databases and SQL Server Express
Chapter 7	Assignment Due
Chapter 8	Manipulating SQL Server Databases with ASP.NET
Chapter 8	Assignment Due
Test 3	Chapters 6, 7 & 8
Chapter 9	Managing State Information
Chapter 9	Assignment Due
ASSIGNMENT	Paper on the Adoption of ASP.NET Around the World
Chapter 10	Developing Object-Oriented C# Programs
Chapter 10	Assignment Due

Paper on the Adoption of ASP.NET Around the World Due

*******Comprehensive Final Examination *******

SPECIAL NOTE TO ONLINE STUDENTS: The final exam for online students will be administered on the Barton Campus and will be scheduled at a time determined by the department.

The instructor reserves the right to modify the Plan of Instruction by changing the sequence of text material or testing content.

Students with Disabilities:

Students with disabilities, including those who were served in Special Education (resource or tutorial), should contact Student Disability Services (SDS) to discuss their need for services and accommodations. The main SDS office is located on the Barton Campus in the Student Center Building 105, office 113.

Staff can be reached by phone at 864 250-8202 or via email to DisabilityServices@gvltec.edu. Appointments are available at all satellite campus locations. Please check the GTC website for more information concerning [Student Disability Services](http://gvltec.edu/disability-services/) (<http://gvltec.edu/disability-services/>).

Efforts have been made to ensure all materials presented in an electronic format are accessible for students with disabilities and the college is committed to this obligation. However, if you experience any difficulty accessing these materials please notify your instructor immediately so a solution can be provided. You may also contact Student Disability Services directly at 864-250- 8202 or by email at DisabilityServices@gvltec.edu.

Nondiscrimination Statement:

Greenville Technical College provides equal opportunity and affirmative action in education and employment for all qualified persons regardless of race, color, religion, sex, national origin, age, disability, sexual orientation, or veteran status.

The college complies with the provisions of Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972 and the Higher Education Amendments of 1986; Sections 503 and 504 of the Rehabilitation Act of 1973, as amended; the South Carolina Human Affairs Law of 1972; and with the Americans with Disabilities Act (ADA) of 1990 as well as the ADA Amendments of 2008 (ADAA).

For additional information on nondiscrimination policies, students should contact Student Disability Services, which coordinates Title II of the ADA/ADAA, Section 504 at (864) 250-8408 v/TTY; Title IX Coordinator at (864) 250-8144.

Starfish:

We care about your success! Greenville Technical College is proud to offer Starfish, a software tool designed to promote student success through coordination and communication between students, instructors and support staff.

When you set up your profile in Starfish, you can connect with services, faculty and staff at Greenville Technical College. The link to Starfish is located in Blackboard. Throughout the term, you may receive emails regarding your attendance, course grades or academic performance.

To benefit from this software, it is important that you check your Greenville Technical College Gmail regularly and read the Starfish alerts. If your academic performance begins to drop, you may also be contacted directly by a Success Coach or the Student Success Center.

Start, Stay, Succeed!
