Credit/Contact Hours:

3.0

Prerequisite:

CPT 257 and IST 220 or IST 201 - Computer Technology students must obtain a minimum grade of "C" in all CPT and IST courses.

Co-requisite: None

Course Description:

This course is an introduction to firewalls and other network security components that can work together to create an in-depth defensive perimeter around a Local Area Network (LAN).

Purpose of Course:

This course will provide students with a solid foundation in network security fundamentals with a primary emphasis on intrusion detection, security policy development, implementing Network Address Translation (NAT), packet filtering, installing firewalls, and Virtual Networks (VPNs).

GREENVILLE TECHNICAL COLLEGE

Required Texts:

1. Security+ Guide to Network Security Fundamentals, Sixth Edition; Mark Ciampa; Cengage Learning, ISBN-13: 978-1-337-28878-1.
2. The Cuckoo's Egg: Tracking a Spy Through the Maze of Computer Espionage; Cliff Stoll; Pocket Books, ISBN-13: 978-1416507789.

NOTE: Students in traditional classes must access Blackboard for course-related information. Students in hybrid and online classes will access their online content through Blackboard.

Additional Materials, Supplies, Equipment and Technology:

Blackboard portal website via gvltcc.edu:

- Students in traditional classes must access Blackboard for course-related information.
- Students in blended classes will access their online content through Blackboard.

Instructional Agreement:

This syllabus is an agreement between the student and instructor concerning course objectives, course content, grading, and other policies and procedures particular to the course as well as any posted program, departmental, and divisional policies. It is also the student's responsibility to become familiar with the Student Handbook/College Catalog found in the Student Resources area of Blackboard.

Greenville Technical College Core Competencies:

Communication Core Competency: Students will demonstrate effective written and oral communication skills to convey information, ideas, or opinions.

- Written Communication: Students will demonstrate effective written communication skills to convey information, ideas, or opinions.
- Oral Communication: Students will demonstrate effective oral communication skills to convey information, ideas, or opinions.

Critical Thinking Core Competency: Students will demonstrate effective reasoning, problem solving, or quantitative skills to develop an opinion or conclusion.

- Critical Reasoning: Students will employ inquiry, analysis, and synthesis of information to formulate and/or evaluate an opinion or conclusion.
- Problem Reasoning: Students will design and formulate a strategy to answer a question or achieve a desired goal.
- Quantitative Reasoning: Students will be able to analyze numerical information or observable facts resulting in informed conclusions.

GREENVILLE TECHNICAL COLLEGE

Information Literacy Core Competency: Students will be able to locate, evaluate, and use information effectively from diverse sources.

Professionalism Core Competency: Students will demonstrate conduct and etiquette appropriate to the community and chosen career.

- Professionalism: Students will display professional conduct and work habits.
- Teamwork: Students will collaborate with others to accomplish a shared goal.

Program Student Learning Outcomes:

Upon successful completion of the Computer Technology Degree students will be able to:

1. Install computer and network hardware.
2. Install computer operating systems and application software.
3. Design, create and test computer programming solutions.
4. Demonstrate the ability to take initiative, assume responsibility, and work under pressure with minimum supervision by successfully completing “hands-on” computer assignments.
5. Analyze, troubleshoot, and correct computer related technical problems.

Course Outcomes:

Students who successfully complete this course will have demonstrated the skills required to accomplish the following objectives with a minimum competence level of 70%.

1. The student will be able to identify general security concepts such as access controls, authentication, security attacks, malicious code, social engineering, and auditing.
2. The student will be able to identify the different methods used to provide authentication in a network environment.
3. The student will be able to identify the security devices used to secure a network.
4. The student will be able to identify the steps necessary to implement security in a network environment.
5. The student will be able to identify the components that make up a network security infrastructure.

GREENVILLE TECHNICAL COLLEGE

The outcomes of the IST 266 course are intended to meet the Computer Technology program level student learning outcomes.

Course Content:

Please refer to Syllabus Addendum to review the Tentative Course Schedule. Your instructor will provide a detailed, week-by-week plan of instruction along with method of delivery, testing, and assignment submission.

CHAPTER MAJOR TOPICS

Chapter 1	Introduction to Security
Chapter 2	Malware and Social Engineering Attacks
Chapter 3	Basic Cryptography
Chapter 4	Advanced Cryptography and PKI
Chapter 5	Networking and Server Attacks
Chapter 6	Network Security Devices, Design, and Technology
Chapter 7	Administering a Secure Network
Chapter 8	Wireless Network Security
Chapter 9	Client and Application Security
Chapter 10	Mobile and Embedded Device Security
Chapter 11	Authentication and Account Management
Chapter 12	Access Management
Chapter 13	Vulnerability Assessment and Data Security
Chapter 14	Business Continuity
Chapter 15	Risk Mitigation

The instructor reserves the right to modify the Plan of Instruction by changing the sequence of text material or testing content.

The final examination for traditional, online, hybrid, and blended class students will be administered on campus. The final examination will be scheduled at a time determined by the administration.

Course Policies:

Computer Technology students must obtain a minimum grade of “C” in all CPT and IST courses.

Please refer to Departmental Policies in Blackboard to review additional course and department policies.

Revised August 2018

GREENVILLE TECHNICAL COLLEGE

Grading Scale:

Grades for this course will be calculated as follows:

Major Tests	40%
Attendance/Homework/Labs	30%
Final Exam	30%
	(50% Written Test/50% Hands-on Lab Test)

NOTE: ALL GRADED TESTS AND EXAMS ARE RETAINED BY THE INSTRUCTOR.

Final letter grades will be issued as follows:	A = 90 - 100
	B = 80 - 89
	C = 70 - 79
	D = 60 - 69
	F = 0 - 59

Students with Disabilities:

Students with disabilities, including those who were served in Special Education (resource or tutorial), should contact Student Disability Services (SDS) to discuss their need for services and accommodations. The main SDS office is located on the Barton Campus in the Student Center Building 105, Office 113.

Staff can be reached by phone at 864-250-8202 or via email to DisabilityServices@gvltec.edu. Appointments are available at all satellite campus locations. Please check the GTC website for more information concerning Student Disability Services (<http://gvltec.edu/disability-services/>).

Efforts have been made to ensure all materials presented in an electronic format are accessible for students with disabilities, and the college is committed to this obligation. However, if you experience any difficulty accessing these materials, please notify your instructor immediately so a solution can be provided. You may also contact Student Disability Services directly at 864-250-8202 or by email at DisabilityServices@gvltec.edu.

Students who need a PDF reader for accessibility of course documents presented in PDF format may download Adobe Reader (<https://get.adobe.com/reader/>).

Technology Statement:

Greenville Technical College is not responsible for personal technology or internet access. Problems with computers, devices, or internet access are not acceptable for late work. When completing gradable coursework online, be sure to access a secure, reliable internet connection (preferably hardwired). All technical questions should be

GREENVILLE TECHNICAL COLLEGE

directed to technical support

(https://www.gvltec.edu/about_greenvilletech/tech_support).

Due dates for all assignments and quizzes/tests are listed on the Course Schedule/Plan of Instruction. All graded work is time-stamped when submitted, so your instructor can check the time of submission. In addition, you will receive a confirmation email message when Blackboard Assignments are submitted. You must provide this confirmation information in case of any dispute regarding the submission.

Computer labs are available at multiple campus locations and offer various hours as well as staff available for assistance.

(https://www.gvltec.edu/student_resources/computer_labs)

Microsoft Office programs or PDF format are recommended for submitting assignments in Blackboard. Students can access portal.office.com, log in with their <username>@my.gvltec.edu email address and Blackboard/GTC4me password, then follow the prompts to install Microsoft Office free of charge.

Nondiscrimination Statement:

Greenville Technical College provides equal opportunity and affirmative action in education and employment for all qualified persons regardless of race, color, religion, sex, national origin, age, disability, sexual orientation, or veteran status.

The college complies with the provisions of Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972 and the Higher Education Amendments of 1986; Sections 503 and 504 of the Rehabilitation Act of 1973, as amended; the South Carolina Human Affairs Law of 1972; and with the Americans with Disabilities Act (ADA) of 1990 as well as the ADA Amendments of 2008 (ADAA).

For additional information on nondiscrimination policies, students should contact Student Disability Services, which coordinates Title II of the ADA/ADAA, Section 504 at (864) 250-8408 v/TTY; Title IX Coordination at (864) 250-8144.

Title IX Policy:

Greenville Technical College does not discriminate against any student on the basis of pregnancy or related conditions and will comply fully with Title IX regulations.

Absences due to medical conditions relating to pregnancy and maternity leave will be excused for as long as deemed medically necessary by a student's doctor, and the student will be given the opportunity to make up missed work. Documentation from the student's doctor is required. Students needing assistance may seek accommodations from the Title IX Coordinator or Student Disability Services. Please contact the Title IX Coordinator (TitleIX@gvltec.edu) or Student Disability Services (DisabilityServices@gvltec.edu) for additional information.

GREENVILLE TECHNICAL COLLEGE

Attendance:

Attendance and participation are necessary for academic success. The student's record of attendance will begin on the first day of the course, even if registration occurs after the course has begun. Students are expected to attend and complete all scheduled instructional activities, both in class and online.

A student may withdraw from any course up to the published deadline. If the student drops the course during the add/drop period, no course tuition will be charged. If a withdrawal occurs after the drop/add period, tuition charges will result. Ceasing to attend class does not constitute an official withdrawal from the course and may result in financial aid consequences. Refer to the Refund Policy for details.

Administrative removal from a course:

- If a student preregisters for a course, but subsequently does not meet the prerequisite for the course, the course will be deleted from the student's schedule. Students will be notified via their college email account that the course has been removed.
- If a student registers for a course but fails to attend (including failing to meet the criteria for being counted as present in an online course), the student will be administratively withdrawn from the course and will earn a grade of WA. The student will be responsible for payment for the course in accordance with the college refund policy. Students will be notified via their college email account that they have been administratively withdrawn.
- If a student attends a course at least once during the drop/add period, but fails to attend (including failing to meet the criteria to be counted as present in an online course) after the drop/add period, the student will be administratively withdrawn from the course and will earn a grade of W. The student will be responsible for payment for the course in accordance with the college refund policy. Students will be notified via their college email account that they have been administratively withdrawn.
- If a student is recorded absent for more than 20 percent of the course contact hours, whether face-to-face or online, the student will be administratively withdrawn from the course and will earn a grade of W. The student will be responsible for payment for the course in accordance with the college refund policy. Students will be notified via their college email account that the absences limit has been exceeded and that they have been administratively withdrawn.

GREENVILLE TECHNICAL COLLEGE

Starfish:

We care about your success! Greenville Technical College is proud to offer Starfish, a software tool designed to promote student success through coordination and communication between students, instructors, and support staff.

When you set up your profile in Starfish, you can connect with services, faculty, and staff at Greenville Technical College. The link to Starfish is located in Blackboard. Throughout the term, you may receive emails regarding your attendance, course grades, or academic performance.

To benefit from this software, it is important that you check your Greenville Technical College Gmail regularly and read the Starfish alerts. If your academic performance begins to drop, you may also be contacted directly by a Success Coach or the Student Success Center.

Start, Stay, Succeed!
